A note from the artist:

Below is my 2026 brief services guide.

I love to work individually with each client or planner to bring their unique vision to life.

HOW IT WORKS

- I create a custom quote for each event ranging from \$1800 to \$5000+.
- Pricing is based on:
 - Venue Location (Travel fees apply outside San Diego)
 - Total number of guests drawn (live and in studio)
- All quotes include up to 3 hours of live illustration. If you would like more guests drawn, we can decide on a specific maximum to be completed in my studio after your event.
- If you would like more guests to receive their drawings on site, there are options for multi-day/overnight events or for me to illustrate guests before the event, so they are ready on the event day. Please inquire directly.

HOW MANY GUESTS CAN YOU DRAW?

For full color style, it takes me 7-8 minutes per figure (or 14-15 minutes per couple). Black and white is available on direct inquiry. Your individual quote will offer a guaranteed amount of guest coverage based on your preferences, using a combination of on-site and off-site illustration.

ILLUSTRATION STYLES

- Full Color Coutour: Includes fully detailed facial features, lace, and use of gold, silver and other treatments as appropriate.
- B&W Ink Couture: Classic black and white fashion sketches - limited detail for increased capacity

WHAT HAPPENS AT THE EVENT?

- I arrive well in advance to set up. I require a table, chairs, and an outlet. I bring elegant signage to let guests know what I do and how to sign up.
- As guests arrive, I take their photos and get their names.
- Guests can observe as I complete their custom artwork from their photo. They can also make special requests (like a different outfit) if desired.
- Guests are able to take their drawing home if it is completed, or informed that their artwork will be completed in the studio and mailed.
- Illustrations are elegantly presented in custom folders with guests' names on the front and protected with a recyclable sleeve.

PRICING

Sample Pricing: Each event is unique, but you can use the below as a rough starting point for pricing (local San Diego). Please keep in mind that each figure in a drawing counts as one guest (so a couple is two guests).

FAQ

Please feel free to ask me anything via email, text, or on our connection call!

DOES A COUPLE COUNT AS 2 GUESTS?

Great question - YES. Guest counts are per guest, NOT per illustration, since it takes me 2x longer to draw 2 people than it does to draw one person.

CAN EVERYONE GET AN ILLUSTRATION?

Yes, we can work together to make sure your package covers every guest who desires an illustration! Some will be done live, and the remainder will be completed in my studio.

CAN I ADD EXTRA GUESTS THE DAY OF THE EVENT?

If more guests than you anticipated want a drawing at the event, you can add a specific number of guests to the list (or make it unlimited), and will be billed after the event based on total extra guests.

DO YOU DO MULTI-DAY EVENTS?

Yes! For corporate events hosted overnight or multiple nights or for multi-day weddings, I stay at the event venue and complete more illustrations on site so that all guests can take home their artwork upon departure.

DO YOU OFFER PRE-EVENT ILLUSTRATIONS?

For events where you would like every guest to receive an illustration as a placecard or gift, I offer pre-event illustration and mailing to you or your event planner.

CAN YOU CUSTOMIZE THE PAPER FOR MY EVENT?

Absolutely. I am happy to include a custom stamp, background, or design in your package. Please inquire directly for pricing.
